The Friends of Mason District Park invite you to join them by becoming a member of their group, which supports the wonderful summer performing arts series at Mason District Park. I'm also delighted to welcome the series to the Ossian Hall Park on Saturday evenings with dance and music from around the world. Spotlight by Starlight, which brings free programs to our community all summer long, receives no funding from Fairfax County. The Friends of Mason District Park have provided these special programs and other important projects at Mason District Park for 34 "star-studded" years. Please help us to carry on this tradition. Thank you, and we hope to see you at Mason District Park this summer.
